

## FLOWER LEIS

*Piper's Activities*

*Leis are traditionally made with orchids. Don't sweat if you can't find them, though, any flowers will do. Remember, if you're giving someone a lei always seal it with a kiss on each cheek!*

### Things You'll Need:

Flowers  
Crochet thread  
Large-eyed needle  
Scissors

### Directions:

Begin by cutting the stems off of your flowers. String your needle with a double length and tie a knot at the end to hold the two strands. The double length of crochet thread, on the needle, should measure 40 inches.

Poke the bottom of the flower through the center and pull it down to the knot. Continue stringing the flowers until you have nearly come to the end of the thread. Run the needle and thread through the beginning knot several times, until the hold is firm.

*Ask a grown-up for help when using knives and other sharp objects, and when using candles. Be sure to use pot holders when handling warm wax.*

*The Fences Between Us*
